17. United States Department of the Interior, Bureau of Mines, Subsurface Conditions Resulting from Mining Under the Flood Plains of the Susquehanna and Lackawanna Rivers, Wyoming Basin, Northern Field, Anthracite Region of Pennsylvania, for U. S. Army Corps of Engineers, Baltimore, Maryland, 1963.
18. United States Environmental Protection Agency, Draft Report, Development Document for Effluent Limitations Guidelines and Standards of Performance for the Coal Mining Point Source Category, prepared by Skelly and Loy, Harrisburg, Pennsylvania, November, 1974.

## PERSONAL COMMUNICATIONS

19. Demchalk, John; Department of Environmental Resources, Harrisburg; Information on Mine Pools and Other Existing Data.
20. Depolio, Walter; Department of Environmental Resources, Wilkes-Barre Office; Personal Interview; Information on Mining Activities, Mine Pools, Mine Maps, Post Studies, and Studies in Progress.
21. Joyce, Arthur; Department of Environmental Resources-- Deep Mine Inspector for the Northern Anthracite Field; Personal Interview; Discussed Mining Activities, and Mine Pumping.
22. Kebler, Charles; U. S. Bureau of Mines, Wilkes-Barre Office; Personal Interview; Information on Mining, Mine Maps, and Geologic Cross Sections.
23. Kinsley, George; General Manager, Glen Nan Inc., Nanticoke; Discussed Active Mining at the Glen Nan Mine.
24. Marsh, Joseph; Map Room, Luzerne County Courthouse; Personal Interview; Information on Property Ownership and Mineral Rights Ownership.
25. Pawlush, Lawrence; Department of Environmental Resources, Kingston Field Office; Personal Interview; Information on Water Consumption and Water Quality.
26. Reynolds, Dale; Geologist, Blue Coal Corporation, Wilkes-Barre; Personal Interview; Information on Mining, Mine Maps and Active Strip Mine Permit Numbers.
27. Temple, Ronald; President, Susquehanna Coal Company; Nanticoke; Personal Interview; Information on Mine Pumping; Mining Activities, and Property Access Rights.
28. Yanchek, Stephen P.; Department of Environmental Resources, Wilkes-Barre Office; Personal Interview; Information on Mining Activities, Mine Pools, Mine Maps, and Studies in Progress.

29. Zink, Charles G., Jr.; Vice President, Blue Coal Corporation, Wilkes-Barre; Personal Interview; Information on Mining Activities, Mine Mapping, Sulfur Contents, and Access Rights.
